from Messrs Whitney Coates & Co, Bangalore,
to whom the sale had been entrusted,
on account of the death of the Proprietor
of that firm.

—— " ——

Order thereon :- No

The Executive Engineer, Water Supply
Dn, should be asked to explain why,
though the sale of the cars took place
on the 7th of September 1914, no attempt
was made to recover the money before
the death of Mr Coates which it is under-
stood took place on the 26th October 1914,
and why he should not be held personally
responsible for the recovery of the amount
which may remain unrealised from the
estate of Mr. Coates.

2. The Superintending Engineer, Southern
Circle, is requested in the meantime
to take immediate steps in the matter
to recover the amount by having recourse
to legal proceedings, if necessary, in consultation
with the Govt Advocate in Mysore.

Reference:- Your No.9467 dated 22nd. December 1914, requesting me to report on para 1 of Government Order No.G.3220-31/C.W. 23-14-14 dated 16th. December 1914.

With reference to the above, I have the honor to state that as per order conveyed in Government Order No.G.1655-6/C.W.123-14 dated 17th. August 1914, Messrs. Whiteney Coates & Company, who are the leading auctioners in Bangalore and who were entrusted with the sale of 2 Ford Cars last year, were instructred to give due publicity to the date of sale and the particulars of the Cars; and sell them by public auction. The sale was fixed for the 7th. September 1914 and they were asked to pay the amount -- realised one month after the date of sale, as was done in the - previous occasion as per their condition of sale. The sale was conductioned on the 7th. September and intimation was received on the 8th. that the total proceeds were Rs.2,085/-. The amount in the ordinary course of events ought to have and would have -- been paid too probably by the 7th. October 1914. But as nothing was heard from them, they were reminded in this office No.1076 dated 19-10-1914 to pay up the amount at once. I learnt just then, that Mr. Coates, the Manager had an accident and was down in the Hospital. I went personally to the firm and was told - that they were expecting the amount in a day or two and that Mr. Coates was also anxious to pay it up as early as possible.

Death of Mr. Coates, on 26th. October 1914, upset the whole situation and it was learnt that the firm was sealed. The Govern -ment Advocate was then requested to take up the matter and conduct the Judicial proceedings. But as that officer wanted the - sanction of Government the same was applied for through you.

I may also mention that the firm has replied on the 18th.

18th. December 1914 that on account of legal technicalities they are unable to pay the money but they expect to pay it up as early as possible.

Under these circumstances, you will see that this office conducted the business in a systimatic manner and consequently no blame can fall on me.
